Welcome from the Principal

Welcome and thank you for your interest in Abbey School.

Our Independent day and residential school provides a unique environment of high-quality, evidence-informed education, nurture and care to young people aged 4-19 with autism whom may have additional learning difficulties and behaviours that challenge. We offer a comprehensive programme of support which ensures that all of our pupils' individual needs are met through highly personalised learning.

We are privileged to benefit from a truly wonderful location. Our school is housed in stunning Grade II* listed buildings, part of historic Abbey Square in the heart of the beautiful city of Chester. Our fantastic team of architects have designed a well-equipped and high-tech learning environment for us, whilst maintaining the beauty of the buildings and surroundings for our pupils to enjoy. We make full use of our environment and location with a creatively designed curriculum that includes focused learning and enrichment activities that support wellbeing. This enables all of our young people to experience growth, development and success.

Our highly skilled and specialist staff team includes teachers, learning and behaviour specialists, speech and language therapists and occupational therapists. This trans-disciplinary focus ensures that each pupil's individual needs are understood, accurately planned for and closely monitored as part of day-to-day school practice.

I am extremely proud to be the Principal of Abbey School, a place where pupil-centred practice is the norm and where the voice of the young people we support and their families is central to all that we do. It really is a very special place to work and learn.

Yours sincerely

Dr. Katy Lee

About our School

Abbey School is an Independent Day and Residential Special School for young people aged 4-19 years with autism whom may have additional learning difficulties and behaviours that challenge. We provide high-quality education and care in our beautiful Grade II* listed buildings in the heart of Chester. All young people attending Abbey School have an Education, Health and Care Plan (EHCP) with school places commissioned and funded via local authorities. Weekly, half termly or termly residential school places are available for young people who would benefit from a waking day curriculum. We work in close partnership with families and carers with support, information sharing and workshop opportunities available throughout the academic year.

Abbey School is aspirational for all of the young people that we support. This aspiration is captured in our vision, mission and values which are central to all that we do at Abbey School.

Vision

Our vision is that all children with exceptional needs receive a meaningful and fulfilling education that enables them to make their own choices about the direction of their adult lives.

Mission

Abbey School exists to provide the best education possible for young people with exceptional needs.

Values

- Special educational needs and/or disability should not be a barrier to a valued lifestyle.
- Every pupil is a unique individual with potential.
- All children and young people without exception are entitled to access the best education and support available.
- Best practices in education are evidence-based.
 - Teaching and learning decisions should be evidence-driven.
 - Clear goals make data-based decisions more numerous and effective.
 - Education is for everyone and for the whole of a person's life.
 - Learning is enabling, empowering and extends the boundaries of autonomy.
 - If a pupil is not learning, it is the teaching that needs to change – the learner is always right.
 - The pupil voice should be heard and respected.

Every decision we make is framed in the context of the Abbey School BAGS model.

B – Belonging and connection – being part of a community and having a network of valued relationships.

A – Autonomy and control – having influence over day-to-day and life defining matters.

G – Gifts and talents – doing even better the things that are done really well, and learning to do things that are important but may not be done at all.

S – Speaking, listening and a sense of self – communicating effectively in a variety of ways not just speech, and having an identity that defines who I really want to be.

Job Description – Occupational Therapist

Job Title	Occupational Therapist	Team	Abbey School
Starting Salary	£26,250 - £34,650	Reporting to	Assistant Principal (Behaviour, Development and Welfare)
Working Hours	Full Time	Responsible for	Therapy assistants and/or volunteers

Role Purpose

- To provide occupational therapy support to children and young people aged 4-19 with complex autism, learning difficulties and behaviours that challenge, within a day and residential special school setting.
- Work as part of a trans-disciplinary team ensuring each pupil's needs are understood, accurately planned for and closely monitored.
- Advise members of the teaching team in relation to pupils' development to achieve the best possible outcomes for children and young people.
- Provide both direct and indirect therapy for individuals and groups of pupils.
- Provide advice and support to Abbey School social care staff for residential pupils.

Main Responsibilities

Pupils

- Contribute to the planning and implementation of appropriate teaching and learning activities to achieve challenging learning objectives in all areas of the curriculum for all pupils on your caseload. This may include contributing to the planning of individual, paired, group, whole class teaching or community-based learning.
- Assessing, planning and implementing appropriate occupational therapy interventions for pupils, individually or in small groups, with a wide range of fine, gross motor and sensory needs. Focused on supporting pupil's independence and daily living skills.
- Work in close liaison with teaching teams to ensure that occupational therapy support is embedded within each pupil's personalised curriculum.
- Assess and evaluate intervention outcomes regularly and report findings as required and in line with school policies.

- Work in close liaison with behaviour analysts and class teachers to ensure that occupational therapy needs are considered and promoted throughout the curriculum.
- Responsible for conducting and analysing occupational therapy assessments at a frequency required by the school's assessment framework and individual needs.
- Responsible for the planning and development of occupational therapy plans and interventions, monitoring the effectiveness of plans through development of robust data collection systems and analysis of the data.
- To assess pupil's need for and use of evidence-based occupational therapy resources/ aids.
- Collaborate and contribute to the development of positive behaviour support plans, working closely with behaviour analysts, the class teacher and other relevant team members.
- Regularly review occupational therapy targets and interventions used to support pupils on your caseload for contextual fit, long term outcomes and to ensure that all pupils can access the curriculum including events and educational visits.
- Contribute to annual review and EHCP reporting.
- Contribute to baseline assessments, end of term assessments and Abbey School's annual assessment cycle.
- Contribute to the development of detailed transition plans as part of a trans-disciplinary team using information identified in admissions assessments for pupils transitioning into and out of Abbey School.
- Be responsible for meeting the occupational therapy needs for individual pupils based on their EHCP provision and on internal referral and assessment.
- Demonstrate clinical effectiveness by use of evidence-based practice and appropriate outcome measures.
- Maintain up to date and accurate case notes in line with professional standards and school policies.
- To attend IEP and annual review meetings where required.
- Contribute to the development of autonomy and voice of the young people on your caseload, supporting and ensuring appropriate means of assessing pupil's autonomy, voice and choices are used.
- Establish productive working relationships with children and young people, acting as a role model, and setting high expectations.
- To consistently model outstanding occupational therapy support in own practice, which includes direct work with pupils.

School-Wide

- To assess the needs for materials and equipment to enhance pupil's learning and to support teaching teams in the preparation and organisation of such materials.
- Act as a key advisor to the class teaching team, embedding an understanding of fine motor, gross motor and sensory needs and the evidence-informed practices that underpin this for the children and young people on your caseload.
- Provide advice and support for pupils in Abbey Green where required.
- Contribute to admissions assessments where required.
- To contribute to the development and delivery of a competency-based training programme for school staff.
- Contribute to the development and delivery of parent information and support sessions.
- Provide occupational therapy advice and support to class staff via regular class observations and coaching sessions with staff.
- Maintain objective and accurate records and reports on achievement, progress and other matters, collating appropriate evidence and entering data into the school systems accurately and in a timely manner.
- Maintain clinical notes and documentation in keeping with Health and Care Professionals Council (HPC) and Royal College of Occupational Therapy (RCOT) professional standards.
- Prepare for Person Centred Reviews, termly meetings and class team meetings where required and contribute to them to ensure that achievements are celebrated and key issues raised, discussed and actions agreed.
- Through ongoing monitoring and evaluation of pupil's progress identify where pupils are not making expected progress and take action to address this.
- Participate in whole-school staffing requirements such as break and lunchtime supervisions.

Partnership Working

- Support parents to contribute to their child's learning and progress by sharing information with them in meetings or through written communication, and by taking account of their views in planning and teaching as per school policies and procedures, this may include taking part in home visits.
- Communicate with pupils and families in a way that respects their views, autonomy and culture.
- Liaise effectively with other professionals, through partnership and team working through a trans-disciplinary approach to design and implement occupational therapy programmes for individuals that are functional and meaningful.
- Make referrals to other professionals where appropriate in discussion with the Principal.

- Contribute to liaison and collaborative working with external agencies such as CAMHS, social services or transport where required. Ensuring continuity and cohesion of provision.
- Represent the school at external meetings as requested by the Principal.
- Work collaboratively with the care team for residential learners on your caseload to ensure that strategies are seamlessly supportive for learners across settings. This may involve flexible working hours on occasion.
- Contribute to Abbey School's commitment to generating practice-based evidence via a programme of research collaborations.

Professional Standards and Professional Development

- Commitment to developing a clear knowledge of the Abbey School Model (ASM) and the evidence-based approaches that underpin it.
- Take a full and active part in professional development activities.
- Adhere to HCPC and RCOT regulations
- Keep up to date and integrate relevant new initiatives and recommendations from HCPC, RCOT and other relevant organisations, ensuring that practice is evidence based, informed and current, where appropriate.
- Actively engage in continuing professional development related to autism and other associated needs of the pupils or wider school practice.
- Be a reflective practitioner.
- Take an active part in in-house training and other development opportunities and apply what is learnt to improve teaching and learning.
- Participate in Abbey School's Appraisal process.
